

THE COCONINO SUN.

I have used Ripans Tabules with so much satisfaction that I can cheerfully recommend them. Have been troubled for about three years with what I called bilious attacks owing on occasions once a week. Was told by different physicians that it was caused by bad teeth, of which I had several. I had the teeth extracted, but the attacks continued. I had seen advertisements of Ripans Tabules in all the papers but had no faith in them, but about six weeks since a friend induced me to try them. Have taken but two of the small five-cent boxes of the Tabules and have had no recurrence of the attacks. I have never given a testimonial for anything before, but the great amount of good which I believe has been done me by Ripans Tabules induces me to add mine to the many testimonials you doubtless have in your possession now.

I want to inform you, in words of highest praise, of the benefit I have derived from Ripans Tabules. I am a professional nurse and in this profession a clear head is always needed. Ripans Tabules does it. After one of my cases I found myself completely run down. Acting on the advice of Mr. Geo. Bowler, Ph. G., 482 Newark Ave., Jersey City, I took Ripans Tabules with grand results.

Miss Emma WENNER.

Mother was troubled with heartburn and sleeplessness, caused by indigestion, for a good many years. One day she saw a testimonial in the paper lauding Ripans Tabules. She determined to give them a trial, was greatly relieved by their use and now takes the Tabules regularly. She keeps a few cartons Ripans Tabules in the house and says she will not be without them. The heartburn and sleeplessness have disappeared with the indigestion which was formerly so great a burden for her. Our whole family take the Tabules regularly, especially after a hearty meal. My mother is fifty years of age and is enjoying the best of health and spirits; sleep comes hourly again, an impossibility before she took Ripans Tabules.

A new style packet containing ONE RIPANS TABULES packed in a paper carton (without glass) is now for sale at some drug stores—FIVE CENTS. This low-priced sort is intended for the poor and the economical. One dozen of the five-cent cartons (12 tabules) can be had by mail by sending forty-eight cents to the RIPANS GENERAL COMPANY, No. 10 Spruce Street, New York—or a single carton (ONE TABULE) will be sent for five cents. RIPANS TABULES may also be had of some grocers, general shopkeepers, news agents and at some liquor stores and barber shops. They banish pain, induce sleep and prolong life. One gives relief.

ONE GIVES RELIEF.

The modern standard Family Medicine: Cures the common every-day ill of humanity.

Reading some of the testimonials in favor of Ripans Tabules, I tried them. Ripans Tabules not only relieved but actually cured my young son, the headaches have disappeared, bowels are in good condition and he never complains of his stomach. He is now a red, chubby-faced boy. This wonderful change I attribute to Ripans Tabules. I am satisfied that they will benefit any one (from the cradle to old age) if taken according to directions.
